VAT Gate Valves on Sale

Items in this special include:

VAT Series 14 HV Gate Valve

Unit **\$2,300**

This pricing is limited by the availability of valves. The VAT series 14 is a compact stainless steel 10" conflat HV gate valve, which is used primarily as a shut-off device for pumps in process systems and industrial applications. The series 14 HV gate valve features six possible actuator positions, a rotary feedthrough that ensures a high cycle life and proven VATLOCK-System sealing technology. For detailed specifications, please visit our website.
